SPONGES

The right tools for the task

CLEANTOGLEAM Grade 1, 2 and 3 Sponges are no ordinary cleaning sponges. Specially designed to work with CLEANTOGLEAM products, they remove tough and stubborn stains without unnecessary chemicals. What's more, as they're made from a strong, durable material, they don't flake or disintegrate in use.

When used with CLEANTOGLEAM cleaning products, CLEANTOGLEAM Grade 1, 2 and 3 Sponges deliver outstanding cleaning results without damaging surfaces.

HOW TO USE CLEANTOGLEAM GRADE 1 SPONGE

CLEANTOGLEAM Grade 1 Sponge is ideally suited for cleaning stubborn interior stains. Used with CLEANTOGLEAM Interior Cleaner, the Grade 1 Sponge removes stains and scuff marks without the need for bleaches or abrasives.

1. While CLEANTOGLEAM cleaning products and sponges don't contain bleaches or harsh abrasives, it's wise to test both on a small, hidden surface area first
2. Spray soiled area with CLEANTOGLEAM Interior Cleaner
3. Gently rub the stain with CLEANTOGLEAM Grade 1 Sponge

HOW TO USE CLEANTOGLEAM GRADE 2 SPONGE

CLEANTOGLEAM Grade 2 Sponge is ideally suited for cleaning fenders, ribs and other vinyl surfaces. Used with CLEANTOGLEAM Rib Cleaner, the Grade 2 Sponge remove stains without the need for bleaches or abrasives.

1. Spray soiled area with CLEANTOGLEAM Rib Cleaner
2. Rub the stain with CLEANTOGLEAM Grade 2 Sponge
3. Repeat as necessary

HOW TO USE CLEANTOGLEAM GRADE 3 SPONGE

CLEANTOGLEAM Grade 3 Sponge is a heavier, stronger sponge developed to clean decking, non-slip surfaces and boat exteriors. It is particularly effective for removing limescale and stubborn stains on GRP plastic. Used with CLEANTOGLEAM Boat Wash, the Grade 3 Sponge removes stains without the need for potentially hazardous acids.

1. Wash boat with CLEANTOGLEAM Boat Wash
2. Rub stubborn stain and limescale with CLEANTOGLEAM Grade 3 Sponge
3. Repeat as necessary

MICRO-FIBRE CLOTHS

Best for buffing

Use CLEANTOGLEAM Microfibre Cloths with CLEANTOGLEAM spray polishing products for great results. They feature two different sides for different jobs - a smooth side for buffing, polishing and waxing, and a towel side for drying. Specially designed for durability, CLEANTOGLEAM Microfibre Cloths can be washed and reused time after time.
